Subject: Request for Small Mine Reclamation Contract and Letter of Credit Amendment, Shannon Peatross dba Rock-It Stone Works, Strawberry River, S/013/008, Duchesne County, Utah

Dear Mr. Peatross:

The Division (DOGM) has not received the completed, signed and notarized small mine reclamation contract that was emailed on April 23, 2007. Please find it enclosed to expedite its return. Please return the contract in original form to the Division, attention Minerals Regulatory Program.

The Division has received a letter of credit (LOC) issued by Zions Bank in the amount of \$17,000.00. The operator is identified as Rock & Stone LLC and the permit application identifies the operator as Rock-It Stone Works. Due to this company name inconsistency, a LOC amendment must be issued changing the operator name from Rock & Stone LLC to Shannon Peatross dba Rock-It Stone Works.

**Please submit this LOC amendment to the Division immediately.**

If you have any questions or require discussion, please contact Minerals bonding coordinator, Mr. Jed Pearson (801) 538-5382 or [bondcoordinator@utah.gov](mailto:bondcoordinator@utah.gov) or mine site lead, Mr. Paul Baker (801) 538-5261.

Sincerely,

Daron Haddock  
Permit Supervisor  
Minerals Regulatory Program
